

RAINSTAMP®

## STANDARD SPECIFICATIONS

### SHEET METAL PERFORATED

### ROUND N SQUARE FOR K-STYLE

For 5" or 6" gutter.

**Use:**

Protect your rain gutters from clogging.

**Feature:**

Round N Square is made from 0.019 painted aluminum. With strengthening beats on the mid-section of the body and pilot holes on the lip, the Round N Square features an angled back piece that has a rib that provides support and serves as a guide for screw placement. Available in 30° white and black.
