GENERAL TERMS AND CONDITIONS OF SALE

INVOICE AND CREDIT TERMS

1. All payments and invoices can be in US Dollars or CAN Dollars.
2. Returned check must be replaced with cash or certified funds plus a \$40 handling fee. A returned check could cause your account to be placed on Payment in Advance status.
3. Payment Options - Continental United States and Canada
 - a. Payment in Advance: bank draft, cashier's check, or wire transfer (\$25 wire fee applies). Company check accepted on established accounts.
 - b. Open Account: NET 30, from the date of the invoice. Payment on open accounts can be made via company check, bank draft, cashier's check, or wire transfer (\$25 wire fee applies).
4. Payment Options - Hawaii, Alaska, Mexico, and International
 - a. Payment in Advance: bank draft, cashier's check, or wire transfer (\$25 wire fee applies).

SERVICE AND DELIVERY

1. Continental United States and Canada
 - a. Finished Goods From Our Inventory: LTL orders of \$5,000 or more will be shipped within 3 business days, freight prepaid.
 - b. Tolling of Your Coil: LTL orders of \$5,000 or more of tolling fees will be shipped within 15 business days, freight prepaid.
 - c. Pallet Program of one item per pallet from our finished goods inventory, LTL orders of \$5,000 or more will be shipped within 3 business days, freight prepaid.
 - d. Finished Goods and/or Tolling: Truckloads of 24 pallets or more will be shipped within 15 business days, freight prepaid. 15 day lead time on tolled items begins upon receipt of customer inbound coil. Customer may mix finished goods and tolling, shipped as one complete shipment and prepaid freight.
 - e. Orders that do not meet our prepaid freight terms will be shipped within 2 business days, prepaid and billed to customer.
 - f. Inbound customer coil for tolling (5,000 lb or more) will be prepaid by us when shipment is arranged by Rainstamp Tolling Limited.
2. Hawaii, Alaska, Mexico, and International
 - a. Finished Goods From Our Inventory: LTL orders of \$5,000 or more will be shipped within 3 business days, freight is responsibility of customer.
 - b. Tolling of Your Coil: LTL orders of \$5,000 or more of tolling fees will be shipped within 15 business days, freight is responsibility of customer.

Finished Goods and/or Tolling: Truckloads of 24 pallets or more will be shipped within 15 business days, freight is responsibility of customer. 15 day lead time on tolled items begins upon receipt of customer inbound coil. Customer may mix finished goods and tolling, shipped as one complete shipment freight is responsibility of customer.
 - d. Orders that do not meet our prepaid freight terms will be shipped within 2 business days, freight is responsibility of customer.
 - e. Inbound customer coil for tolling, freight is responsibility of customer.

GENERAL TERMS AND CONDITIONS OF SALE

PRICES

1. Prices are subject to change without notice, however, when possible we will inform you of changes prior to the effective date of the changes.
2. Finished good price is based on full box quantities of one item.
3. Select items of a full pallet quantity or greater will receive a discount as noted on our pallet program price list. Pallets typically are 40" wide X 48" deep X 90" tall.
4. Tolling price requires a minimum box quantity per item.

DAMAGES OR SHORTAGES

1. Damaged or shortages caused by the freight carrier must be notated on the delivery receipt and documented with pictures in order to receive a credit. Without this we will not be responsible for the credit if the freight company does not pay the freight claim.
2. Shortages due to an error on the part of Rainstamp must have proof of shortage and must be reported within 48 hours for adjustment.

CLAIMS

1. Customers should inspect material on arrival and report any defects promptly.
2. We are not responsible for any claims, labor, or damages resulting from the misuse or inability to use products sold.
3. We are responsible only to the extent of material supplied. Such material must be made available for our inspection. We will adjust the matter fairly and promptly.

RETURNS

1. Returns, for any reason, must be authorized by us in advance and shipped freight prepaid by the customer. Full credit less a 20% restocking charge will apply on stock items.
2. Any material being returned damaged will not be credited. Returned merchandise over 90 days old will be considered at scrap value or returned at customer expense.
3. A return material authorization (RMA) will be sent to the customer to return approved material for credit. The material must be shipped back within 48 hours along with a copy of the RMA included with the shipment.
4. No returns allowed for tolling orders.

WHY RAINSTAMP TOLLING?

TOLLING BENEFITS:

1. Tolling for Full range of Rain Gutter accessories in most common material widths and thicknesses.
2. Custom labeling available.
3. Personalized order form with yield calculator for determining pounds of coil required for each order.
4. Prepaid freight on LTL Tolling orders exceeding \$5,000.
5. Prepaid freight on coil shipments of 5,000 lbs or greater shipped to RTL for tolled orders.
6. Truckload pricing available for full truckload tolled orders.
7. Weekly lead time report.

IN-STOCK FINISHED GOODS:

1. Full line of finished good accessories stocked in 30 painted aluminum colors and 2 premium metals.
2. Prepaid freight on Finished Good orders exceeding \$5,000.
3. Pallet Program discount on full pallet quantities of select single item finished goods.

ADDITIONAL:

1. All products are made in house, giving you direct communication with the manufacturer.
2. Knowledgeable in house staff available to answer questions via phone and e-mail in a swift manner.
3. Product line is continuously being improved upon to ensure accessories have the best form and fit.
4. Customer feedback survey helps us serve you better.
